Impact of Anti-Affirmative Action on Medical School Enrollment, March, No. 3 (Suppl), 8S

Antimicrobial Therapy
Antimicrobial Therapy in the ICU Setting: Have We Become to a Empiric, Abstract, July/August, No. 7/8, 311

Antiretroviral
Antiretroviral Adherence and Use of Alternative Therapies Among Older HIV-Infected Adults, July/August, No. 7/8, 243
HIV Resistance and Tolerability Issues in Antiretroviral Therapy, April, No. 4, 151

Aortic Aneurysm,
Thoracic Aortic Dissection in Patient with Autosomal Dominant Polycystic Kidney Disease, July/August, No. 7/8, 282

Appendicitis
Acute Appendicitis in an Incarcerated Inguinal Hernia, December, No. 12

Aspiration Pneumonia
Eikenella Corrodens: An Unusual Cause of Severe Parapneumonic Infection and Empyema in Immunocompetent Patients, June, No. 6, 224

Asthma
Does Breastfeeding Protect Children from Asthma? Analysis of NHANES III Survey Data, April, No. 4, 139

Atelectasis
Sickle Cell Crisis in the Adult: Chest Radiographic Findings and Comparison with Pediatric Sickle Cell Disease, February, No. 2, 58

Autosomal Dominant Polycystic Kidney Disease
Thoracic Aortic Dissection in Patient with Autosomal Dominant Polycystic Kidney Disease, July/August, No. 7/8, 282

Azathioprine
Cutaneous Cryptococcus During Treatment with Azathioprine and Prednisone, Abstract, July/August, No. 7/8, 294

B

Backs
Non-Operative Management of Low Back Pain, Abstract, July/August, No. 7/8, 295

Bacteriuria
Bacteriuria in the Elderly Population in a Developing Country,, July/August, No. 7/8, 238

Bile Salt-Sensitive Lipase
Bile Salt-Stimulated Lipase in the Milk of Fulani and Kanuri Women in Nigeria and Native Nepalese Women,, June, No. 6, 201

Biological Response
Biological Response of Personality Disorder Patients to the Serotonergic Probe Ipsapirone, Abstract, July/August, No. 7/8, 310

Biomedical Research
Impact of Biomedical Research on African Americans, March, No. 3 (Suppl), 6S
Medical Ethos and Social Responsibility in Clinical Medicine, May, No. 5, 157

Birth
Contemporary Markers of Preterm Birth, Abstract, July/August, No. 7/8, 301

Breast Aspiration
Fine Needle Breast Aspiration: Office Setting, Abstract, July/August, No. 7/8, 312

Breast Cancer
Breast Cancer and AIDS, Letter to the Editor, January, No. 1, 40
Oral Contraceptives and Breast Cancer Among African-American and White Women, September, No. 9, 329
Radiation Dose Monitoring in a Breast Cancer Patient with a Pacemaker, July/August, No. 7/8, 278
Strenuous Physical Activity and Breast Cancer Risk in African-American Women, July/August, No. 7/8, 267

Breastfeeding
Does Breastfeeding Protect Children from Asthma? Analysis of NHANES III Survey Data, April, No. 4, 139
Lead Levels in the Milk of Fulani Women in Nigeria, March, No. 3, 104

Breast Implants
Large Volume Low Set Implants for Correction of Breast Ptosis, Abstract, July/August, No. 7/8, 306

Breast Ptosis
Large Volume Low Set Implants for Correction of Breast Ptosis, Abstract, July/August, No. 7/8, 306

Burned Face
Reconstruction of Burned Face with Tissue Expansion, Abstract, July/August, No. 7/8, 307

Business Management
Surgicenters: Business Management, Abstract, July/August, No. 7/8, 306

C

Cancer
Albumin Concentration Controls Cancer, December, No. 12, 490
Attitudes of Primary Care Physicians Towards Cancer Prevention Trials: A Focus Group Analysis, November, No. 11, 450
Breast Cancer and AIDS, Letter to the Editor, January, No. 1, 40
Radiation Dose Monitoring in a Breast Cancer Patient with a Pacemaker, July/August, No. 7/8, 278

Carbon Monoxide
Cyclic GMP Is a Measure of Physiologic Stress, July/August, No. 7/8, 256

Carboxyhemoglobin
Cyclic GMP Is a Measure of Physiologic Stress, July/August, No. 7/8, 256

Carcinoma, Mucoepidermoid
Carcinoma of the Oral Cavity, May, No. 5, 178
Nonfunctional Parathyroid Carcinoma, July/August, No. 7/8, 251

Cardiovascular
Cardiovascular Disease and Menopause, July/August, No. 7/8, 302
Assessing Cardiovascular Disease Risk in Women: A Cultural Approach, November, No. 11, 430

Caregivers
Perceived Needs of African-American Caregivers of Elders with Dementia, February, No. 2, 47

Carotid Endarterecotome
Timing of Carotid Endarterecotomy after an Acute Stroke, Abstract, July/August, No. 7/8, 315

CD4
Antiretroviral Adherence and Use of Alternative Therapies Among Older HIV-Infected Adults, July/August, No. 7/8, 243

Cerebrovascular Disease
Comparison of Stroke Risk Factors in Patients Enrolled in Stroke Prevention Trials: Report from the African-American Antiplatelet Stroke Prevention Study, March, No. 3, 79

Cervical
Evaluation of a Cervical Cytology Device Based on Comparison to Colposcopic Findings, November, No. 11, 436
Cervical Sonography for the Prediction of Preterm Birth, Abstract, July/August, No. 7/8, 293

Charles Drew University
Commencement Address to Charles Drew University School of Medicine, on June 2, 2001, November, No. 11, 458

Child Psychiatry
Where in the World did Child Psychiatry

Come From and Where is is Headed?, Abstract, July/August, No. 7/8, 310

Children,
Does Breastfeeding Protect Children from Asthma? Analysis of NHANES III Survey Data, April, No. 4, 139
Folk Use Of Elemental Mercury: A Potential Hazard For Children, September, No. 9, 320
Letter to the Editor about article on Otalgia in Children, May, No. 5, 195
Sickle Cell Crisis in the Adult: Chest Radiographic Findings and Comparison with Pediatric Sickle Cell Disease, February, No. 2, 58

Cholesterol
Coronary Care Physician 1994-2000 Adherence to 1993 National Cholesterol Education Program Diet and Lipid Recommendations, March, No. 3, 87

Chronic Idiopathic Contipation
Adult Constipation, January, No. 1, 22

Circumcision
Surgical Correction of Female Circumcision, the Meharry Experience, Abstract, July/August, No. 7/8, 300

Citrulline
Oral Citrulline As Arginine Precursor May Be Beneficial In Sickle Cell Disease: Early Phase Two Results, October, No. 10, 363

Clinical Trials
Attitudes of Primary Care Physicians Towards Cancer Prevention Trials: A Focus Group Analysis, November, No. 11, 450
Clinical Experience with Linezolid in the Treatment of Resistant Gram-Positive Infections, October, No. 10, 386
Comparison of Stroke Risk Factors in Patients Enrolled in Stroke Prevention Trials: Report from the African-American Antiplatelet Stroke Prevention Study, March, No. 3, 79
Effects of Knowledge, Attitudes, and Normative Influence on Decisions to Enroll in a Clinical Trial on Osteoporosis: Implications for Recruitment of Older Black Women, October, No. 10, 392
Impact of Biomedical Research on African Americans, March, No. 3 (Suppl), 6S
Time Use In Clinical Encounters: Are African Americans Treated Differently?, October, No. 10, 380

Club Drugs
Club Drugs: MDMA, GHB, Rohypnol, Ketamine, Abstract, July/August, No. 7/8, 310

Cluster Headaches
Delayed Diagnosis of Cluster Headache in African-American Women, January, No. 1, 31

Continuing Medical Education
Answers to CME Questions in Modern Pharmacotherapies for Type 2 Diabetes Mellitus from September, No. 9, 335, October, No. 10, 419

Colon
Familial Adenomatous Polyposis: Case Report and Review of the Literature, June, No. 6, 208

Colposcopic Findings
Evaluation of a Cervical Cytology Device Based on Comparison to Colposcopic Findings, November, No. 11, 436

Constipation
Adult Constipation, January, No. 1, 22

Contraceptives
Oral Contraceptives and Breast Cancer Among African-American and White Women, September, No. 9, 329

Coronary
Coronary Angiographic Findings In Black And White Patients From A Single Institution, December, No. 12, 465
Coronary Care Physician 1994-2000 Adherence to 1993 National Cholesterol Education Program Diet and Lipid Recommendations, March, No. 3, 87
Incidence and Predictors of Coronary Heart Disease Among Older African Americans—The Cardiovascular Health Study, November, No. 11, 423

Critical Illness
Cyclic GMP Is a Measure of Physiologic Stress, July/August, No. 7/8, 256

CT Scanning
Cost-Effectiveness of CT Scanning, Abstract, July/August, No. 7/8, 295

Culture
Folk Use Of Elemental Mercury: A Potential Hazard For Children, September, No. 9, 320
Assessing Cardiovascular Disease Risk in Women: A Cultural Approach, November, No. 11, 430
HIV/AIDS Behind Bars: An Avenue For Culturally Sensitive Interventions, December, No. 12, 481
Racism in Medicine: Planning for the Future, March, No. 3 (Suppl), 1S
Effects of Knowledge, Attitudes, and Normative Influence on Decisions to Enroll in a Clinical Trial on Osteoporosis: Implications for Recruitment of Older Black Women, October, No. 10, 392

Cutaneous Cryptococcus
Cutaneous Cryptococcus During Treatment with Azathioprine and Prednisone, Abstract, July/August, No. 7/8, 294

Cyclic Guanosine Monophosphate
Cyclic GMP Is a Measure of Physiologic Stress, July/August, No. 7/8, 6

Cystitis
Updated on the Evaluation and Treatment of Interstitial Cystitis, Abstract, July/August, No. 7/8, 303

Cysts
Atypical Eruptive Vellus Hair Cysts in a Patient with Oculocerebrorenal (Lowe) Syndrome, Abstract, July/August, No. 7/8, 294

Cytokines
Influence of Cytokines on Hyperproliferation Scar Disorders, Abstract, July/August, No. 7/8, 306

D

De Clerambault Syndrom
De Clerambault Syndrome, Thirty Years Later, Abstract, July/August, No. 7/8, 309

Dementia
Neuropsychological Screening Tests in African Americans, September, No. 9, 323
Perceived Needs of African-American Caregivers of Elders with Dementia, February, No. 2, 47

Dermabrasion
Microdermabrasion, Abstract, July/August, No. 7/8, 306

Diabetes
Answers to CME Questions in Modern Pharmacotherapies for Type 2 Diabetes Mellitus from September, No. 9, 335, October, No. 10, 419
Modern Pharmacotherapies for Type 2 Diabetes Mellitus, September, No. 9, 335

Dictus Deo Hallucinations
Demographic and Psychiatric Factors in Parental Murder: Significance of Dictus Deo Hallucinations, Abstract, July/August, No. 7/8, 309

Diet
Normal vs. Optimal, October, No. 10, 410
Coronary Care Physician 1994-2000 Adherence to 1993 National Cholesterol Education Program Diet and Lipid Recommendations, March, No. 3, 87

Disfigurement
Facial Reconstruction in a Severly Disfigured Victim of the Kenyan Embassy Bombing: My Personal Experience, Abstract, July/August, No. 7/8, 305

Dismond, MD, H. Binga
H. Binga Dismond, MD—Pioneer Harlem Physician and Much More, December, No. 12, 497

Drug Use
Survival Patterns Among HIV+ Individuals Base on Health Care Utilization, June, No. 6, 214

Drugs
Early Initiation of Sex, Drug-Related Risk Behaviors, and Sensation-Seeking among Urban, Low-Income African-American Adolescents, April, No. 4, 129

Dwarfism,
Russell-Silver Syndrome in a Nigerian Infant with Uterine Growth Retardation, May, No. 5, 185

Dyslipidemia
Dyslipidemia and Insulin Resistance in Polycystic Ovarian Syndrome Patients, Abstract, July/August, No. 7/8, 300

E

Echocardiography,
Fetal Echocardiography "Do You Know the Limbo?", Abstract, July/August, No. 7/8, 298

EEG
Emergency EEG and Factors Associated with Nonconclusive Status Epilectus, October, No. 10, 359

Eikenella Corrodens
Eikenella Corrodens: An Unusual Cause of Severe Parapneumonic Infection and Empyema in Immunocompetent Patients, June, No. 6, 224

Elderly
Antiretroviral Adherence and Use of Alternative Therapies Among Older HIV-Infected Adults, July/August, No. 7/8, 243
Attitudes and Beliefs about Exercise Among Elderly African Americans in an Urban Community, December, No. 12,
Bacteriuria in the Elderly Population in a Developing Country, July/August, No. 7/8, 238
Incidence and Predictors of Coronary Heart Disease Among Older African Americans—The Cardiovascular Health Study, November, No. 11, 423

Endometrial Disorders
Transvaginal Sonography of Endometrial Disorders, Abstract, July/August, No. 7/8, 298

Endothelial Function
Abnormal Endothelial Function in Young African-American Females: Discordance with Blood Flow, April, No. 4, 113

Endovascular Therapeutics
Endovascular Therapeutics in Peripheral Vascular Disease: Rationale and Progress Report, Abstract, July/August, No. 7/8, 314

Epidemiology
Epidemiology and Untreated Consequences of Sleep Apnea in Blacks, Abstract, July/August, No. 7/8, 295

Epilectus
Emergency EEG and Factors Associated with Nonconclusive Status Epilectus, October, No. 10, 359

Eruptive Vellus Hair Cysts
Atypical Eruptive Vellus Hair Cysts in a Patient with Oculocerebrorenal (Lowe) Syndrome, Abstract, July/August, No. 7/8, 294

Ethics
Impact of Biomedical Research on African Americans, March, No. 3 (Suppl), 6S
Medical Ethos and Social Responsibility in Clinical Medicine, May, No. 5, 157

Etiology
Thoracic Aortic Dissection in Patient with Autosomal Dominant Polycystic Kidney Disease, July/August, No. 7/8, 282

Excercise
Strenuous Physical Activity and Breast Cancer Risk in African-American Women, July/August, No. 7/8, 267
Attitudes and Beliefs about Exercise Among Elderly African Americans in an Urban Community, December, No. 12, 475

F

Facial Reconstruction
Facial Reconstruction in a Severly Disfigured Victim of the Kenyan Embassy Bombing: My Personal Experience, Abstract, July/August, No. 7/8, 305

Fallopian Tube Necrosis
Fallopian Tube Necrosis after Postpartum Sterilization, April, No. 4, 149

Familial Keloids
Clincial Genetics of Familial Keloids, Abstract, July/August, No. 7/8, 307

Fatty Acids
Fish Consumption and Hypertension Incidence in Blacks and Whites, April, No. 4, 124

Females
Abnormal Endothelial Function in Young African-American Females: Discordance with Blood Flow, April, No. 4, 113
Assessing Cardiovascular Disease Risk in Women: A Cultural Approach, November, No. 11, 430
Bile Salt-Stimulated Lipase in the Milk of Fulani and Kanuri Women in Nigeria and Native Nepalese Women, June, No. 6, 201
Delayed Diagnosis of Cluster Headache in African-American Women, January, No. 1, 31
Determinants of Mode of Delivery in HIV Positive Pregnant Women, Abstract, July/August, No. 7/8, 299
Health Disparity in Black Women: Lack of Pharmaceutical Advertising in Black vs. White Oriented Magazines, July/August, No. 7/8, 263
Knowledge, Beliefs, and Risk Factors for Osteoporosis Among African American and Hispanic Women, January, No. 1, 13
Lead Levels in the Milk of Fulani Women in Nigeria, March, No. 3, 104
Oral Contraceptives and Breast Cancer Among African-American and White Women, September, No. 9, 329
Strenuous Physical Activity and Breast Cancer Risk in African-American Women, July/August, No. 7/8, 267
Surgical Correction of Female Circumcision, the Meharry Experience, Abstract, July/August, No. 7/8, 300

Fetal Echocardiography
Fetal Echocardiography "Do You Know the Limbo?", Abstract, July/August, No. 7/8, 298

Fetus
Ultrasonographic Evaluation of the Fetus with Spina Bifida, Abstract, July/August, No. 7/8, 297

Fish Oils
Fish Consumption and Hypertension Incidence in Blacks and Whites, April, No. 4, 124

Folk
Folk Use Of Elemental Mercury: A Potential Hazard For Children, September, No. 9, 320

Forensic Cases
Decision Tree for Neuropsychological Neuroimaging, and Clinical Decision Making in Forensic Cases, Abstract, July/August, No. 7/8, 308

Fulani
Bile Salt-Stimulated Lipase in the Milk of Fulani and Kanuri Women in Nigeria and Native Nepalese Women, June, No. 6, 201
Lead Levels in the Milk of Fulani Women in Nigeria, March, No. 3, 104

G

Genetics
African-American Heredity Prostate Cancer Study: A Model for Genetic Research, April, No. 4, 120
Clincial Genetics of Familial Keloids, Abstract, July/August, No. 7/8, 307
Thoracic Aortic Dissection in Patient with Autosomal Dominant Polycystic Kidney Disease, July/August, No. 7/8, 282

GHB
Club Drugs: MDMA, GHB, Rohypnol, Ketamine, Abstract, July/August, No. 7/8, 310

Gynecology
Cervical Sonography for the Prediction of Preterm Birth, Abstract, July/August, No. 7/8, 303
Contemporary Markers of Preterm Birth, Abstract, July/August, No. 7/8, 301
Management of Common Surgical Complications in Gynecologic Surgery, Abstract, July/August, No. 7/8, 298
Review of Meta-Analysis in Obstetrics and Gynecology Protocols, Abstract, July/August, No. 7/8, 304
Role of the Gynecologist in the Prevention of Heart Disease, Abstract, July/August, No. 7/8, 297

Gynecologic Surgery
Management of Common Surgical Complications in Gynecologic Surgery, Abstract, July/August, No. 7/8, 298

H

Hallucinations
Demographic and Psychiatric Factors in Parental Murder: Significance of Dictus Deo Hallucinations, Abstract, July/August, No. 7/8, 309

Headaches
Delayed Diagnosis of Cluster Headache in African-American Women, January, No. 1, 31

Healing
Nitric Oxide and Wound Healing Regulation, Abstract, July/August, No. 7/8, 305

Health Disparities
"Slave Health Deficit:" Case for Reparations to Bring Health Parity to African Americans, January, No. 1, 1
Fighting Invisible Barriers to Equitable Health Care, June, No. 6, 197
Health Disparity in Black Women: Lack of Pharmaceutical Advertising in Black vs. White Oriented Magazines, July/August, No. 7/8, 263

National Medical Association
Health Policy Orientation, December, No. 12, 463
Innaugral Address, Annual Convention and Scientific Assembly of the National Medical Association, Nashville, TN, August 2001, October, No. 10, 355
Letter to the Editor About Article on African-American Leadership Embodied in Dr. Hood, December, No. 12, 505
President's Year in Review, July/August, No. 7/8, 233

Neonatology
Neonatal Lead Poisoning from Maternal Pica Behavior During Pregnancy, September, No. 9, 317

Neoplasm
Mucoepidermoid Carcinoma of the Oral Cavity, May, No. 5, 178

Neuro-Behavioral Organization
ICIDH-2 Aphasia Profiling Using the Reliable Assessment Inventory of Neuro-Behavioral Organization, Abstract, July/August, No. 7/8, 296

Neuropsychological Neuroimaging
Decision Tree for Neuropsychological Neuroimaging, and Clinical Decision Making in Forensic Cases, Abstract, July/August, No. 7/8, 308

Neuropsychological Tests
Neuropsychological Screening Tests in African Americans, September, No. 9, 323

New Technologies
Impact of New Technologies on Medicine, Law, and Healthcare Policies, Abstract, July/August, No. 7/8, 298

NHANES III
Does Breastfeeding Protect Children from Asthma? Analysis of NHANES III Survey Data, April, No. 4, 139

Nigeria
If Not Now, When, December, No. 12, 494
Lead Levels in the Milk of Fulani Women in Nigeria, March, No. 3, 104
Russell-Silver Syndrome in a Nigerian Infant with Uterine Growth Retardation, May, No. 5, 185

Nitric Oxide
Nitric Oxide and Wound Healing Regulation, Abstract, July/August, No. 7/8, 305

O

Obsessive-Compulsive
Adolescent Obsessive-Compulsive Drinking Scale: Assessment Tool for Problem Drinking, March, No. 3, 92

Obstetrics
Review of Meta-analysis in Obstetrics and Gynecology Protocols, Abstract, July/August, No. 7/8, 304

Oculocerebrorenal Syndrome
Atypical Eruptive Vellus Hair Cysts in a Patient with Oculocerebrorenal (Lowe) Syndrome, Abstract, July/August, No. 7/8, 294

Omega-3
Fish Consumption and Hypertension Incidence in Blacks and Whites, April, No. 4, 124

Oncology
African-American Heredity Prostate Cancer Study: A Model for Genetic Research, April, No. 4, 120

Operating Room
Next Generation Operating Room, Abstract, July/August, No. 7/8, 314

Oral Cavity
Mucoepidermoid Carcinoma of the Oral Cavity, May, No. 5, 178

Organ Donation
Differences in Attitude Toward Organ Donation Among African Americans and Whites in the United States, October, No. 10, 372

Osteoporosis
Effects of Knowledge, Attitudes, and Normative Influence on Decisions to Enroll in a Clinical Trial on Osteoporosis: Implications for Recruitment of Older Black Women, October, No. 10, 392
Knowledge, Beliefs, and Risk Factors for Osteoporosis Among African American and Hispanic Women, January, No. 1, 13
Osteoporosis, Abstract, July/August, No. 7/8, 303

Otalgia
Letter to the Editor About Article on Otalgia in Children, May, No. 5, 195

Outreach Program
High-risk Sexual Behaviors among Adolescents Engaged Through a Street-Based Peer Outreach Program—Adolescent HIV Project, May, No. 5, 170

P

Pacemaker
Radiation Dose Monitoring in a Breast Cancer Patient with a Pacemaker, July/August, No. 7/8, 278

Parathyroid
Nonfunctional Parathyroid Carcinoma, July/August, No. 7/8, 251

Parental Murder
Demographic and Psychiatric Factors in Parental Murder: Significance of Dictus Deo Hallucinations, Abstract, July/August, No. 7/8, 309

Parvovirus Infections
Literature Review and Case Report; Parvovirus Infection in Pregnancy; Management of a B 19 Parvovirus-induced Fetal Ascites and Periacardial Effusion, Abstract, July/August, No. 7/8, 301

Patient Education
Teaching Patients to Communicate with Physicians: Impact of Race, January, No. 1, 6

Patient-Physician Communication
Teaching Patients to Communicate with Physicians: Impact of Race, January, No. 1, 6

Pediatric Trauma
Pediatric Trauma Management by Adult General Surgeons, Abstract, July/August, No. 7/8, 315

Pediatrics
Benign Subarachnoid Space Enlargement of Infancy, February, No. 2, 70
Does Breastfeeding Protect Children from Asthma? Analysis of NHANES III Survey Data, April, No. 4, 139
Outcomes of Training Pediatricians to Serve the Underserved, November, No. 11, 444
Sickle Cell Crisis in the Adult: Chest Radiographic Findings and Comparison with Pediatric Sickle Cell Disease, February, No. 2, 58

Pelvic
Update in Pelvic Support, Abstract, July/August, No. 7/8, 304

Pelvic Pain
Chronic Pelvic Pain, Abstract, July/August, No. 7/8, 300

Perinatal HIV Transmission
Strategies for Elimination of Perinatal HIV Transmission, Abstract, July/August, No. 7/8, 302

Personality Disorder
Biological Response of Personality Disorder Patients to the Serotonergic Probe Ipsapirone, Abstract, July/August, No. 7/8, 310

Pharmaceutical
Impact of Biomedical Research on African Americans, March, No. 3 (Suppl), 6S
Modern Pharmacotherapies for Type 2 Diabetes Mellitus, September, No. 9, 335

Pharmacotherapies
Modern Pharmacotherapies for Type 2 Diabetes Mellitus, September, No. 9, 335

Phototherapy
Narrowband UVB Phototherapy for Early Stage Mycosis Fungoides, Abstract, July/August, No. 7/8, 294

Physiologic Cue Reactivity
Craving and Physiologic Cue Reactivity in Adolescent Alcoholics, Abstract, July/August, No. 7/8, 309
Physiopathology, Thoracic Aortic Dissection in Patient with Autosomal Dominant Polycystic Kidney Disease, July/August, No. 7/8, 282

Pipeline Program
Models to Increase Enrollment of Minority Females in Science-Based Careers, February, No. 2, 74

Pneumonia
Eikenella Corrodens: An Unusual Cause of Severe Parapneumonic Infection and Empyema in Immunocompetent Patients, June, No. 6, 224

Polycystic Ovarian Syndrome
Dyslipidemia and Insulin Resistance in Polycystic Ovarian Syndrome Patients, Abstract, July/August, No. 7/8, 300

Polyposis
Familial Adenomatous Polyposis: Case Report and Review of the Literature, June, No. 6, 208

Practical Practice
Practical Practice Management Issues, Absract, July/August, No. 7/8, 307

Prednisone
Cutaneous Cryptococcus During Treatment with Azathioprine and Prednisone, Abstract, July/August, No. 7/8, 294

Pregnancy
Determinants of Mode of Delivery in HIV Positive Pregnant Women, Abstract, July/August, No. 7/8, 299
Literature Review and Case Report; Parvovirus Infection in Pregnancy; Management of a B 19 Parvovirus-induced Fetal Ascites and Periacardial Effusion, Abstract , July/August, No. 7/8, 301
Neonatal Lead Poisoning from Maternal Pica Behavior During Pregnancy, September, No. 9, 317

Preterm Birth
Cervical Sonography for the Prediction of Preterm Birth, Abstract, July/August, No. 7/8, 303
Contemporary Markers of Preterm Birth, Abstract, July/August, No. 7/8, 301

Primary Bile Salts
Bile Salt-Stimulated Lipase in the Milk of Fulani and Kanuri Women in Nigeria and Native Nepalese Women, June, No. 6, 201

Pronator Syndrome
Pronator Syndrome Presenting as a Vibration in the Upper Limbs, Abstract, July/August, No. 7/8, 297

Prostate Cancer
African-American Heredity Prostate Cancer Study: A Model for Genetic Research, April, No. 4, 120

Psychiatry
Where in the World Did Child Psychiatry Come From and Where is it Headed?, Abstract, July/August, No. 7/8, 310

Pulmonary Infarction
Sickle Cell Crisis in the Adult: Chest Radiographic Findings and Comparison with Pediatric Sickle Cell Disease, February, No. 2, 58

Pulmonary Infection
Eikenella Corrodens: An Unusual Cause of Severe Parapneumonic Infection and Empyema in Immunocompetent Patients, June, No. 6, 224

Pulmonary Metastasis
Adrenal Cortical Carcinomas: A Case of Late Pulmonary Metastasis, January, No. 1, 37

Q

Quality of Life
Perceived Needs of African-American Caregivers of Elders with Dementia, February, No. 2, 47

R

Race
Race, Medicine, and Health Care in the United States: Historical Survey, March, No. 3 (Suppl), 11S
Race: Major Health Status and Outcome Variable 1980 - 1999, March, No. 3 (Suppl), 35S
Racism in Medicine: Planning for the Future, March, No. 3 (Suppl), 1S
Teaching Patients to Communicate with Physicians: Impact of Race, January, No. 1, 6

Racism
Medical Ethos and Social Responsibility in Clinical Medicine, May, No. 5, 157
Race, Medicine, and Health Care in the United States: Historical Survey, March, No. 3 (Suppl), 11S
Race: Major Health Status and Outcome Variable 1980 - 1999, March, No. 3 (Suppl), 35S
Racism in Medicine: Planning for the Future, March, No. 3 (Suppl), 1S

Radiation
Radiation Dose Monitoring in a Breast Cancer Patient with a Pacemaker, July/August, No. 7/8, 278

Radiology
Trauma Surgery and Interventional Radiology: Friends or Foes?, Abstract, July/August, No. 7/8, 312

Radiotherapy
Radiation Dose Monitoring in a Breast Cancer Patient with a Pacemaker, July/August, No. 7/8, 278

Recombinant Tissue Plasminogen Activator
Factors Preventing African Americans from Seeking Early Intervention in the Treatment of Ischemic Stroke, February, No. 2, 43

Reconstruction
Facial Reconstruction in a Severly Disfigured Victim of the Kenyan Embassy Bombing: My Personal Experience, Abstract, July/August, No. 7/8, 305
Improved Inframammary Fold Reconstruction Utilizing Skeletal Fixation and Suture Suspension, Abstract, July/August, No. 7/8, 307
Lower Extremity Reconstructive: An Algorithm for Treatment, Abstract, July/August, No. 7/8, 308
Reconstruction of Burned Face with Tissue Expansion, Abstract, July/August, No. 7/8, 307

Religiosity
Surgery and Religiosity, March, No. 3, 109

Renal Disease
Legionella Micadadei Lung Abscess in a Patient with HIV-Associated Nephropathy, June, No. 6, 220

Restless Legs Syndrome
Prevelence of Restless Legs Syndrome Among African Americans: A Pilot Study, Abstract, July/August, No. 7/8, 295

Retardation
Russell-Silver Syndrome in a Nigerian Infant with Uterine Growth Retardation, May, No. 5, 185

Rituals
Folk Use Of Elemental Mercury: A Potential Hazard For Children, September, No. 9, 320

Rohypnol
Club Drugs: MDMA, GHB, Rohypnol,

Ketamine, Abstract, July/August, No. 7/8, 310

Russell-Silver Syndrome
Russell-Silver Syndrome in a Nigerian Infant with Uterine Growth Retardation, May, No. 5, 185

S

Scar Disorders
Influence of Cytokines on Hyperproliferation Scar Disorders, Abstract, July/August, No. 7/8, 306

Schweitzer, Albert
If Not Now, When, December, No. 12, 494

Scientific Careers
Models to Increase Enrollment of Minority Females in Science-Based Careers, February, No. 2, 74

Sensation-seeking
Early Initiation of Sex, Drug-Related Risk Behaviors, and Sensation-Seeking among Urban, Low-Income African-American Adolescents, April, No. 4, 129

Serotonergic Probe Ipsaperone
Biological Response of Personality Disorder Patients to the Serotonergic Probe Ipsapirone, Abstract, July/August, No. 7/8, 310

Sex
Early Initiation of Sex, Drug-Related Risk Behaviors, and Sensation-Seeking among Urban, Low-Income African-American Adolescents, April, No. 4, 129
High-risk Sexual Behaviors among Adolescents Engaged Through a Street-Based Peer Outreach Program—Adolescent HIV Project, May, No. 5, 170

Sexually Transmitted Diseases
Adolescents in the Age of AIDS: Myths and Misconceptions Regarding STDS, February, No. 2, 64

Sickle Cell
Oral Citrulline As Arginine Precursor May Be Beneficial In Sickle Cell Disease: Early Phase Two Results, October, No. 10, 363
Sickle Cell Crisis in the Adult: Chest Radiographic Findings and Comparison with Pediatric Sickle Cell Disease, February, No. 2, 58

Skeletal Fixation
Improved Infrmammary Fold Reconstruction Utilizing Skeletal Fixation and Suture Suspension, Abstract, July/August, No. 7/8, 293

Slave Health Deficit
"Slave Health Deficit": Case for Reparations to Bring Health Parity to African Americans, January, No. 1, 1
Race, Medicine, and Health Care in the United States: Historical Survey, March, No. 3 (Suppl), 11S
Race: Major Health Status and Outcome Variable 1980 - 1999, March, No. 3 (Suppl), 35S

Sleep Apnea
Epidemiology and Untreated Consequences of Sleep Apnea in Blacks, Abstract, July/August, No. 7/8, 295

Social Responsibility
Medical Ethos and Social Responsibility in Clinical Medicine, May, No. 5, 157

Sonography
Are You Normal or Not?, Abstract, July/August, No. 7/8, 301
Cervical Sonography for the Prediction of Preterm Birth, Abstract, July/August, No. 7/8, 303
Transvaginal Sonography of Endometrial Disorders, Abstract, July/August, No. 7/8, 298

Soy
Therapeutic Options: Hormone Replacement Therapy–Soy Therapy, July/August, No. 7/8, 288

Spasticity
Approaches to Spasticity, Abstract, July/August, No. 7/8, 296

Spina Bifida
Ultrasonographic Evaluation of the Fetus with Spina Bifida, Abstract, July/August, No. 7/8, 297

Spinal Cord
Subacute Combined Degeneration of Spinal Cord as Initial Presentation of Vitamin B12 Deficiency, Abstract, July/August, No. 7/8, 296

Streptococcus Milleri
Streptococcus Milleri: Cause of Pyogenic Liver Abscess, July/August, No. 7/8, 276

Stroke
Comparison of Stroke Risk Factors in Patients Enrolled in Stroke Prevention Trials: Report from the African-American Antiplatelet Stroke Prevention Study, March, No. 3, 79
Factors Preventing African Americans from Seeking Early Intervention in the Treatment of Ischemic Stroke, February, No. 2, 43
Timing of Carotid Endarterecotomy after an Acute Stroke, Abstract, July/August, No. 7/8, 315

Student National Medical Association
On the Horizon: Overview of the Student National Medical Association's Plans in the Upcoming Year, July/August, No. 7/8, 235

Subacute Combined Degeneration
Subacute Combined Degeneration of Spinal Cord as Initial Presentation of Vitamin B12 Deficiency, Abstract, July/August, No. 7/8, 296

Subarachnoid Space
Benign Subarachnoid Space Enlargement of Infancy, February, No. 2, 70

Surgeons
Pediatric Trauma Management by Adult General Surgeons, Abstract, July/August, No. 7/8, 315
Role of Surgeon in the Surgical Intensive Care Unit, Abstract, July/August, No. 7/8, 312

Surgery
Management of Common Surgical Complications in Gynecologic Surgery, Abstract, July/August, No. 7/8, 298
Surgery and Religiosity, March, No. 3, 109

Surgical Correction
Surgical Correction of Female Circumcision, the Meharry Experience, Abstract, July/August, No. 7/8, 300

Surgicenters
Surgicenters: Business Management, Abstract, July/August, No. 7/8, 306

Suture Suspension
Improved Infrmammary Fold Reconstruction Utilizing Skeletal Fixation and Suture Suspension, Abstract, July/August, No. 7/8, 307

T

Thoracic Aortic Dissection
Thoracic Aortic Dissection in Patient with Autosomal Dominant Polycystic Kidney Disease, July/August, No. 7/8, 282

Tissue Expansion
Reconstruction of Burned Face with Tissue Expansion, Abstract, July/August, No. 7/8, 307

Toxic Substances
Folk Use Of Elemental Mercury: A Potential Hazard For Children, September, No. 9, 320
Lead Levels in the Milk of Fulani Women in Nigeria, March, No. 3, 104

Thrombolysis
Use of tPA for Thrombolysis, Abstract, July/August, No. 7/8, 313

tPA
Use of tPA for Thrombolysis, Abstract, July/August, No. 7/8, 313

Transfusions
Red Blood Cell Transfusion in Very Low Birth Weight Infants, October, No. 10, 405
Surgery and Religiosity, March, No. 3, 109

Trauma
Pediatric Trauma Management by Adult

General Surgeons, Abstract, July/August, No. 7/8, 315
Role of Laparoscopy in Trauma, Abstract, July/August, No. 7/8, 311

Trauma Call
In-house vs. On-call Coverage, Abstract, July/August, No. 7/8, 313

Trauma Surgery
Trauma Surgery and Interventional Radiology: Friends or Foes?, Abstract, July/August, No. 7/8, 312

Triglyceride Digestion
Bile Salt-Stimulated Lipase in the Milk of Fulani and Kanuri Women in Nigeria and Native Nepalese Women, June, No. 6, 201

Trinidad
Bacteriuria in the Elderly Population in a Developing Country, July/August, No. 7/8, 238

Tubal Ligation
Fallopian Tube Necrosis after Postpartum Sterilization, April, No. 4, 149

U

Ultrasonographic Evaluation
Ultrasonographic Evaluation of the Fetus with Spina Bifida, Abstract, July/August, No. 7/8, 297

Ultrasound
Are You Normal or Not?, Abstract, July/August, No. 7/8, 301
Use of Ultrasound in the Multifetal Gestation, Abstract, July/August, No. 7/8, 299

Unconsious
African Unconscious, Abstract, July/August, No. 7/8, 308

Urinary Incontinence
Office and Urodynamic Work-up of Urinary Incontinence, Abstract, July/August, No. 7/8, 299

Urinary Tract Infection
Bacteriuria in the Elderly Population in a Developing Country, July/August, No. 7/8, 238

Uterine Growth Retardation
Russell-Silver Syndrome in a Nigerian Infant with Uterine Growth Retardation, May, No. 5, 185

V

Vascular Disease
Endovascular Therapeutics in Peripheral Vascular Disease: Rationale and Progress Report, Abstract, July/August, No. 7/8, 314

Vascular Surgery
Vascular Surgery, Abstract, July/August, No. 7/8, 311

Ventilatory Innovations
Ventilatory Innovations: Has Outcome Been Improved?, Abstract, July/August, No. 7/8, 313

Viral Load
Antiretroviral Adherence and Use of Alternative Therapies Among Older HIV-Infected Adults, July/August, No. 7/8, 243

Vitamin B12 Deficiency
Subacute Combined Degeneration of Spinal Cord as Initial Presentation of Vitamin B12 Deficiency, Abstract, July/August, No. 7/8, 296

W

Whites
Coronary Angiographic Findings In Black And White Patients From A Single Institution, December, No. 12, 465
Differences in Attitude Toward Organ Donation Among African Americans and Whites in the United States, October, No. 10, 372
Fish Consumption and Hypertension Incidence in Blacks and Whites, April, No. 4, 124
Health Disparity in Black Women: Lack of Pharmaceutical Advertising in Black vs. White Oriented Magazines, July/August, No. 7/8, 263
Oral Contraceptives and Breast Cancer Among African-American and White Women, September, No. 9, 329

Wound Healing
Nitric Oxide and Wound Healing Regulation, Abstract, July/August, No. 7/8, 305

XYZ
